| Name (Model, etc.) | Suction Gas Engine E-B8 | | |
| Location | Moriyama City, Shiga Pref | | |
| | Daihatsu Diesel Mfg. Co., Ltd. Moriyoama Factory No.1 | | |
| Owner (Custodian) | Daihatsu Diesel Mfg. Co., Ltd. | | |
| Manufacturer (Company) | Hatsudoki Manufacturing Co., Ltd. | | |
| Year Manufactured | 1913 | | |
| Reason For Selection | <p>This is an early domestic engine that is preserved still in good running condition. Manufactured by Daihatsu Diesel Mfg. Co. in 1913—then known as Hatsudoki Manufacturing Co. —the motor continued to operate in mill located in Kagoshima Prefecture until about 1976. The engine is preserved along with a device for generating fuel gas from wood shavings.</p> | | |
